

## Janell Johnson Supply List for Rock, Paper, Scissors

Rendered in Faber-Castell Polychromos colored pencils on 9"x12" Asparagus Crescent Moorman Suede Mat Board, other colors can be substituted. Any paper surface of your choice can be substituted.

Sticky Putty is used to remove colored pencil and graphite. You can also use tape to remove colored pencil and graphite.

Scharff Moonscrubber no. 4 or a stiff bristle scrubby brush to scrub the shadow into the nap of the suede.

If you do not have Faber-Castell Polychromos a conversion is provided for Lyra Rembrandt Polycolor and Prismacolor Premier. PLEASE NOTE: all written instructions are with the Faber colored pencils.
