## Watercolor Sunflowers Supply List

\*Reference photos of sunflowers, stems and leaves. I will use several different photos, using areas of each one. Pinterest is good! You can copy off images or take your own photos.

\*ARTIST GRADE WATERCOLOR, include your filled palette, filled with a variety of colors, and some tube watercolor. (Mainly yellows, in tube)

\*Variety of brushes

\*One sheet of #300 cold press watercolor paper, torn into 1/4 sheets (11 x 15). I prefer Arches for best results.

\*Medical gauze, small amount

\*Kosher salt

\*Regular pencil

\*Black water soluble pencil (I use General brand)

\*Kneaded eraser

\*Small plastic cup

\*OPTIONAL: Caran d' Arche water soluble crayons, watercolor pencils, hair dryer, any other mark making tools you might have.

Bring along your regular painting tools. Water containers, Kleenex, aprons, etc.
