Watercolor Sunflowers Supply List

Reference photos of sunflowers, stems and leaves. I will use several different photos, using areas of each one. Pinterest is good! You can copy off images or take your own photos.

ARTIST GRADE WATERCOLOR, include your filled palette, filled with a variety of colors, and some tube watercolor. (Mainly yellows, in tube)

Variety of brushes

One sheet of #300 cold press watercolor paper, torn into 1/4 sheets (11 x 15). I prefer Arches for best results.

Saral transfer paper (black)

Masking tape

Medical gauze, small amount

Kosher salt

Regular pencil

Black water soluble pencil (I use General brand)

Kneaded eraser

Small plastic cup

OPTIONAL: Caran d' Arche water soluble crayons, watercolor pencils, hair dryer, any other mark making tools you might have.

Bring along your regular painting tools. Water containers, Kleenex, aprons, etc.
