**Jeanne Willette**

**Mixed Media Workshop “A Shining Moment”**

**March 29-30, 2017 9am-4pm**

**Our Instructor – Jeanne Willette**

**Class Description:**

Inspiring warm-ups, fun tricks in the drawing and watercolor mixed with a bit of collage, will bring you into “Shining Moments.” Innovative new techniques with material and water media. We will use elements of design and principle to get your best compositional results. Emphasis will be on finding your niche for presenting artwork. Putting the “shine” in your artwork with detail brings you to a new satisfying level of complete joy!

**Material needed:**

2 full sheets of Arches #140 Cold Press

Plexi or hard surface, paper size

Watercolor Palette, and Acrylic inks if you have them

A small baggie of ephemera (ribbon snips, catch phrases, cutting from previous designs or artwork, sequins, pressed leaves/flowers, foil wrapping from candy, etc.)

Water bin, paper towels, brushes 1-2” flat, #10, #8 round, 2 small flats, and scroller/script brush, spray bottle, scissors, pencil, any other you like to have at hand.

Colored pencils or watercolor pencils if you have them.

One interesting piece of blue and white chinaware, or one unusual item to suggest a share interest for the group. We will be painting one blue and white composition and two others for you to expand on in class or at home.
