

Mark Menendez

Mark Menendez is a nationally recognized color pencil instructor with over thirty-five years of teaching experience, while also enjoying a successful career as a professional portrait painter and book illustrator. Mark offers his students a wide range of innovative color pencil methods and techniques, in both traditional and watercolor pencils. He also offers an extensive variety of subject matter, from still life, floral, wildlife to portraits.

His highly popular books, packets and videos have been circulated around the globe. Mark's informative live seminars, online webinars and workshops have been sponsored by countless SDP and Colored Pencil Society of America chapters throughout the nation. His easy going manner, humor and patience, matched by his depth of knowledge, make for a fun and highly rewarding experience.
