## **Holiday Marker Magic! Supply List**

### **Pens & Markers:**

Bring your favorite markers in all your favorite colors. Anything goes, acrylic, alcohol, or water-based pens all work with this project. If you don't have these items I will have a small supply you can use.

### **Paper:**

Search your journals or supplies for mixed media paper or 90# watercolor paper, 7" X 10" or larger. Again, I will have a supply you are welcome to use.

### **Other Items:**

Stencils: Anything you have on hand. Look for patterns -- smaller ones work well. Again, I'll have a small supply available if you do not have any on hand.

Pencil & eraser

Paper towels or tissues

Aqua pen or watercolor brush and water bucket

A good sense of humor
