

SUPPLY LIST FOR BETTY WAISANEN'S YUPO WORKSHOP

1. Bring your regular watercolor supplies, a water bucket, a table cover(6' table) and any or all of the items below. Many of these can and will be shared, so do what you can. The YUPO PAPER will be supplied at the workshop for a small price.
2. Substrates in 3 sizes are strongly recommended as the paint stays wet and runs if you move it, and, we will. Whatever you have around, gator board, sign board, plexi, even cardboard and/or freezer paper will do. The sizes are 11x14, 12x16, 18x24, or.... thereabouts.
3. Paints: tubes if available, and your palette. I use the following because they blend well and intermingle on the surface, but bring your favorites! Aureolin, New Gamboge, Alizarin Crimson, Opera, Q. magenta, Cobalt, Cobalt Turquoise, Thalo Blue.
4. Brushes...hopefully a large 1 1/2' flat or larger, 12" round, and smaller rounds for detail work
5. Texture: corks, flat erasers, Saran Wrap, stencils, Kitchen paper towels, tissues, and your favorites, BUT...NO SALT
6. Other stuff: scissors, t squares, small type paper cutters,
7.  don't forget these....
